Who Are We?

◉ MUSIC COMPOSERS

Our playground is the studio, the musical arena where we play earnestly on the strings of heritage to achieve a new vibe.

◉ INNOVATORS OF IDENTITY

We construct the sonic identity, wave by wave, to strengthen the presence of the commercial brand and its connection with the audience.

◉ SOUND THINKERS.

We listen to the cues to reach meaning and achieve with our partners new horizons in the world of sound.

2025

To enrich the audio production and
music sector in the Arab world.

Our Goal

To Reflect A Positive Voice To The World

Through development

○ Sonic Identity

○ Soundtracks

✦ Our team

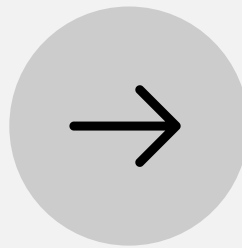

Our success is based on a creative team that
combines experience and passion to provide
.the best audio and music solutions

Mohammed Al-Hawshan

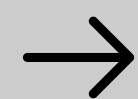

Music Director

A Saudi entrepreneur and founder of VOZ, he began his career as a music distributor and sound engineer, with over 15 years of experience in the field. A graduate of King Fahd University of Petroleum and Minerals, he combined academic knowledge with a creative passion to develop innovative audio solutions

Abdulrahman Al-Zaid
Music Producer

A Saudi composer and music innovator with over 12 years of experience, he has arranged, composed, and produced works that have contributed to highlighting Saudi culture. Each production is distinguished by his unique musical imagination, rooted in our authentic culture, bringing his productions to a level befitting each client

Ayman Al Turki

Sound Engineer

With over 20 years of experience in the audio field, he is known for his significant contributions to improving audio production quality and developing innovative technical solutions

Saleh Bin Jaser

Project Manager

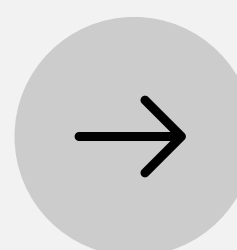

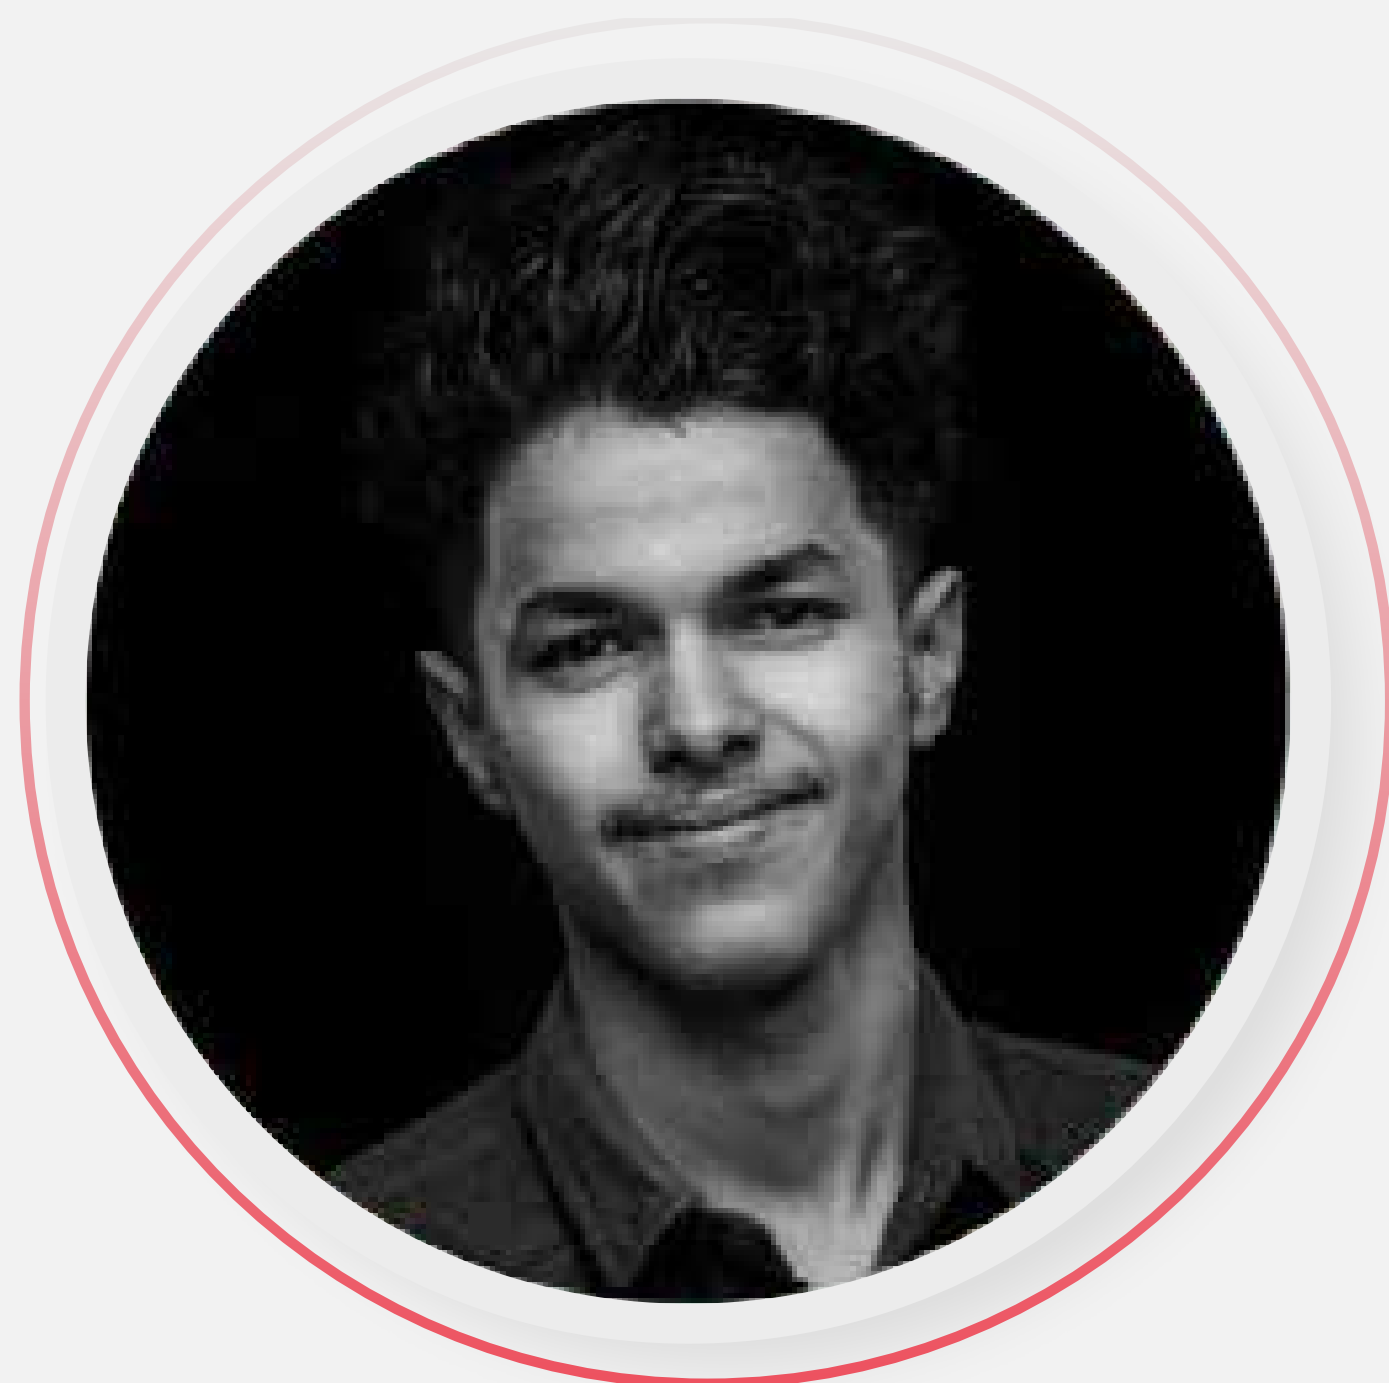

With over 8 years of experience, he manages and implements musical projects, musicals, and art workshops. He has expertise in the music field and is constantly striving to develop theatrical and musical works

Abdulaziz Al-Abdullah

Music Composer

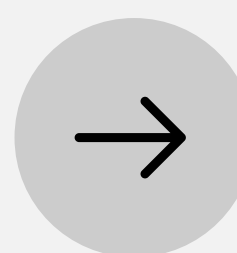

A prominent Saudi artist, distinguished by his musical creativity and ability to create melodies that combine authenticity and modernity. He has participated in numerous distinguished musical works with a group of artists in Saudi Arabia and the Arab world, contributing to the production of melodies that have resonated widely, cementing his position as one of the most distinguished names in the artistic scene

Anas Ezz El-Din

Music Distributor

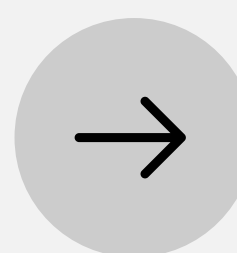

A music distributor and composer with over seven years of experience, he has composed and arranged numerous patriotic songs and artistic works, as well as composed soundtracks. He is constantly striving to develop Arabic music

Ibrahim Bawazir

Business Developer

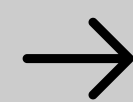

He deeply understands clients' needs and projects to deliver innovative strategies that advance their businesses. With over nine years of experience, he contributes to developing distinctive music solutions that enhance project quality and push the music industry to new levels of creativity and professionalism

Moataz Al-Sheikh

Business Partnerships Lead

A Business Developer with over 8 years of experience, who has worked on numerous projects with major clients. He is committed to achieving clients' goals and aspirations by understanding their needs and addressing their challenges, in order to develop the best strategies and solutions that lead to optimal results.

Daii Ali

Opportunity Development Manager

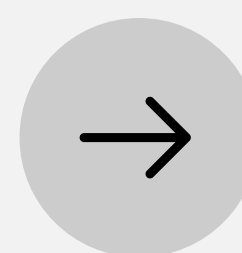

A Music Business Developer with over 4 years of experience in building relationships with brands, creative agencies, and producers. He specializes in crafting music solutions that reflect the identity of each project and serve its purpose — whether through custom songs, soundtracks for visual content, or memorable sonic branding.

Jagor

Orchestral and Classical Composer

A Polish musician and multi-instrumentalist with an academic background in music, he specializes in composing for a variety of genres, including orchestral and classical pieces, commercial music, and fairy tale melodies

Mufadel Saleh

Sound Designer

A professional sound designer with over 5 years of experience in audio production. He specializes in creating high-quality sound effects and audio editing, enhancing the listener experience by creating distinctive audio solutions for media and creative projects

Events Organization

Play "A Safe Return"

A narrative, theatrical, and cultural performance that aims to instill the message of value in the minds of visitors by simplifying it through a cultural theatrical performance. It conveys the experience of pilgrims to the House of God and embodies our diverse cultures, united by the culture of Islam, embodied in generous hospitality and benevolence

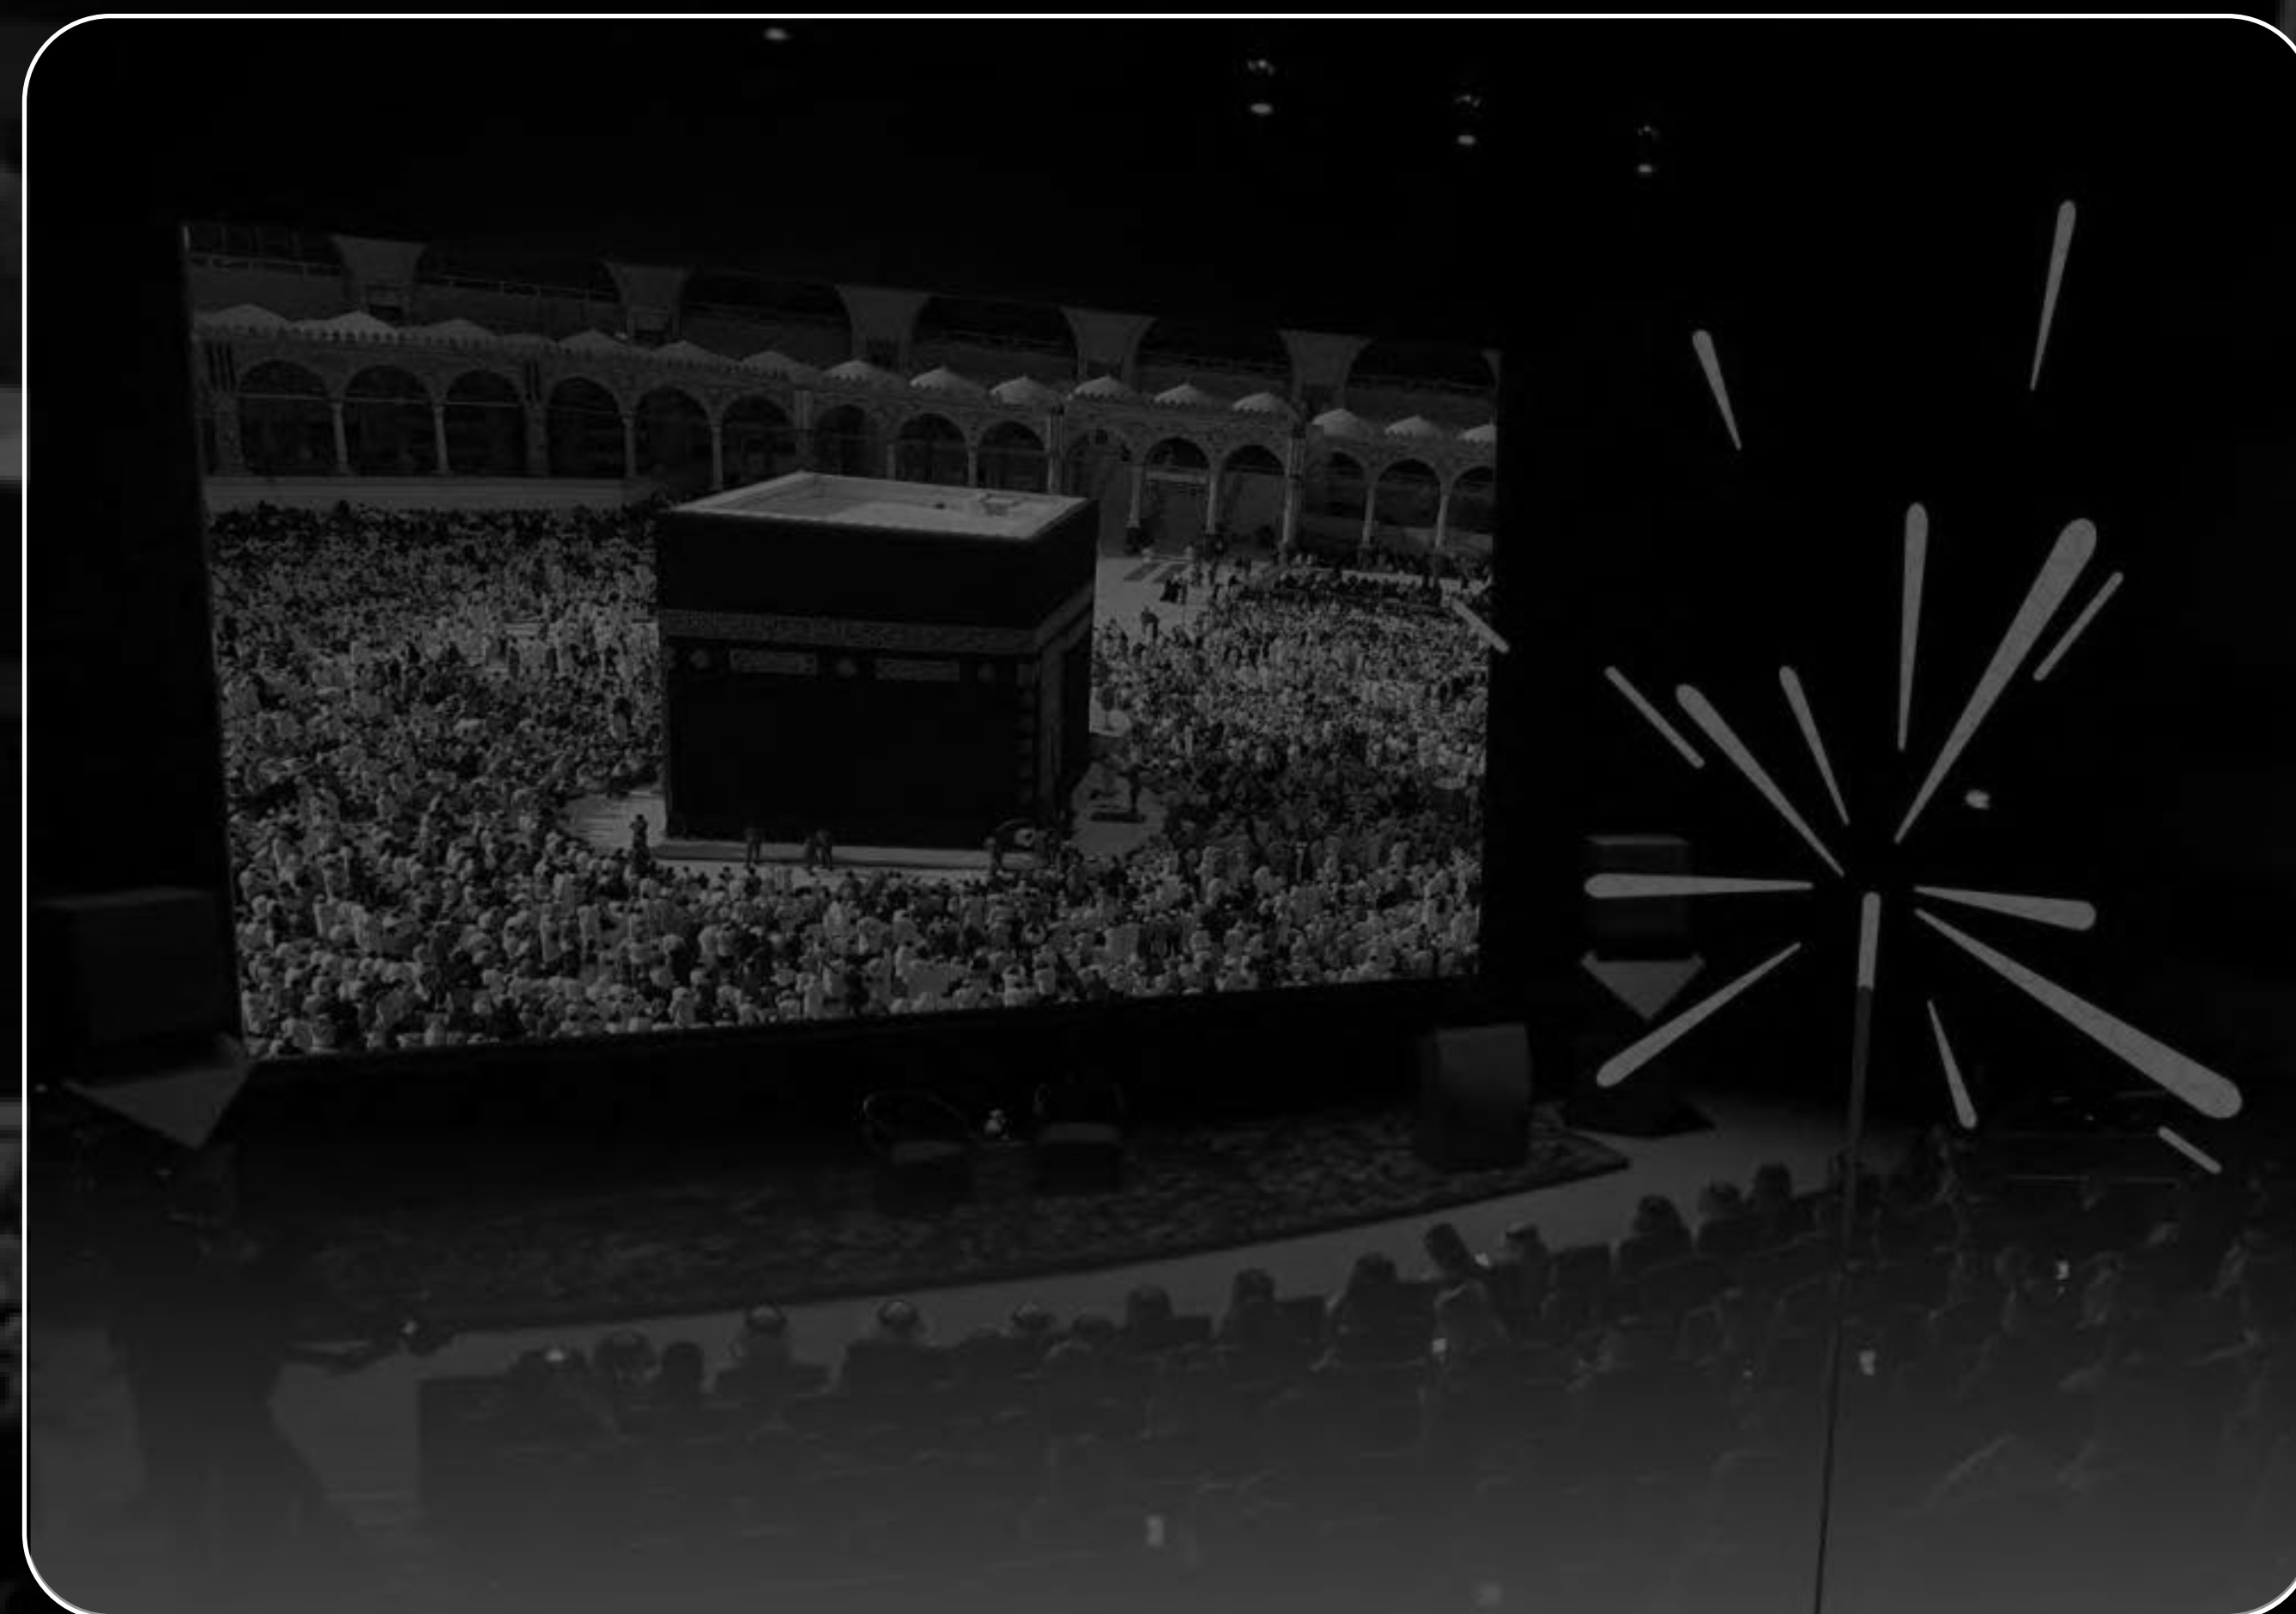

Service:
Musical Event

Hajj is a Culture and Feeling Program

A cultural event introducing the Hajj and its stages in an engaging and interactive manner

Service:
Musical Event

Flash Mob Green Heart

A musical play, presented in an innovative and creative way, featuring popular folklore songs from five different regions, celebrating National Day and expressing pride in popular heritage

Service:
Musical Event

Saudi Symphony Experience

A musical event celebrating the 93rd Saudi National Day, featuring authentic Saudi tunes, with the audience joining the band in performing the music and singing

Service:
Musical Event

Scientific Experiment Kingdom Tunes

A musical performance celebrating National Day aims to educate visitors about the forms of sound wave vibrations and their effect on inanimate objects through a visual experience. This is intended to encourage contemplation of the origins of things around us, even if they are invisible, through innovative scientific experiments

Service:
Musical Event

Play
